28th International Conference
on Organometallic Chemistry

ICOMC 2018
Florence Italy

FLORENCE, ITALY
Congress & Exhibition Centre
15 – 20 JULY 2018

On behalf of the Organising Committee, it is our great pleasure to announce that the 28th *International Conference on Organometallic Chemistry (ICOMC-2018)* will be held from **15th to 20th of July 2018** at the Congress and Exhibition Centre in the heart of the City of **Florence, Italy**. It will be organised by the Institute of Chemistry of Organometallic Compounds (**ICCOM**) of the Italian National Research Council (**CNR**), in association with the official PCO of the event, Adria Congrex Srl.

The Conference comes back to Italy after 30 years (Turin 1988) as a part of a series of biannual events with a long tradition. **ICOMC 2018** will provide a unique opportunity to present and disseminate all the main aspects of modern organometallic chemistry in a lively, multidisciplinary and modern environment. Companies are welcome to support the Conference by various kinds of Sponsorship and will find exhibition space and other opportunities to advertise their products and activities.

The scientific program will be organised in parallel Lecture Sessions, focused on different aspects of traditional and emerging areas of organometallic chemistry and related applications. Student attendance will be encouraged by reduced fees and giving the possibility to showcase their results during two Poster Sessions and Flash Presentation Sessions. Top contributions will be shortlisted for Poster Prizes.

Social Program packages will be organised for the Participants and Accompanying Persons, culminating in the Conference Banquet that will be held in a historical setting in Florence.

For detailed information about Deadlines, Registration forms, Abstract submission, Social Activities, please visit the **Official Conference website** at www.icomc2018.com or contact us by email writing to icomc2018@iccom.cnr.it.

We look forward to meeting you in Florence for this exciting scientific event in July 2018.

Best wishes,

Maurizio Peruzzini, *Chairman*

Alessandro Mordini, *Co-Chairman*

Luca Gonsalvi, *Scientific Secretary*
